

Sit Ski/Ski/Snowboard Lesson

Overview

Group lessons in the following disciplines: skiing, snowboarding & sit skiing. These lessons are open to all abilities and levels and are customized to the individuals involved.

Event Details

Adaptive Instructors and trained volunteers will be assigned to your group. Each guest will receive individual or small group instruction while on the slopes. Beginners will start on the 'Magic Carpet' (Beginner Area) and some will progress onto using a lift. Breaks may be taken when needed. Sit skis are provided for guests with mobility issues. For these lessons, we encourage independence for all guests and therefore recommend guests stand up ski or snowboard if possible.

Gear: Please make sure your guests come equipped for all weathers. We recommend the following: ski pants & jacket, waterproof gloves/mitts, helmet, goggles, warm thermal layers, sunscreen, ski or snowboard equipment. Regular rental ski or snowboard equipment is available at Sunshine Village.
